

Technical Requirement:

1. Performance standard: GB10753-89
2. Insulation resistance :  $\geq 1000M\Omega$
3. Withstand voltage: No voltage breakdown occurs when tested at 50HZ 1000V per min.
4. Contact resistance:  $\leq 0.03\Omega$
5. Mechanical life :  
600times under normal using life
6. Product Conformity with ROHS Directives.
